Invitation for comments/suggestions from the stakeholders and interested persons on the modifications in the detailed REC Procedures to harmonize it with the MoP notification [View Details](#)

Operationalization of the Energy Injection Report (EIR) Issuance Module of REC portal from 1st January 2024 [View Details](#) **NEW**

What is REC?

The Electricity Act, 2003, the policies framed under the Act, as also the National Action Plan on Climate Change (NAPCC) provide for a roadmap for increasing the share of renewable in the total generation capacity in the country. However, Renewable Energy (RE) sources are not evenly spread across different parts of the country. [Read More >>](#)

Total Signed Up RE Generators Till Now - 4444

Steps for REC

4 of 4

STEP 4 Redemption of REC

The basic procedure for redemption of renewable energy certificates shall include following steps:

STEP 4: The Eligible Entity shall place for dealing of renewable energy certificates, both 'Solar' and 'Non-Solar' Certificates, on any Power Exchange authorised to deal in renewable energy certificates by CERC.
