What is REC?

The Electricity Act, 2003, the policies framed under the Act, as also the National Action Plan on Climate Change (NAPCC) provide for a roadmap for increasing the share of renewable in the total generation capacity in the country. However, Renewable Energy (RE) sources are not evenly spread across different parts of the country. [Read More >>](#)

Steps for REC

STEP 4 Redemption of REC

The basic procedure for redemption of renewable energy certificates shall include following steps:

STEP 4: The Eligible Entity shall place for dealing of renewable energy certificates, both 'Solar' and 'Non-Solar' Certificates, on any Power Exchange authorised to deal in renewable energy certificates by CERC.

Password reset frequency once every 90 days

REC web portal will send system generated email for resetting the password. Please find below system generated email template:

Dear Sir/Madam,

Please find registration application details as given below:

Login ID: NAVTL002

Project Name: Navalakha Translines

Registration No.: MH0NSNAVTL002R140311

Password Expiry Date: NA

Kindly change your password prior to the expiry date to retain access to REC portal services. Post expiry, you will have to contact IT Support for assistance to reset.

Options for Changing your Password:

Please login into the REC web portal. Please click on REC web portal URL: <https://www.recregistryindia.nic.in/>

Please visit the tab:

Profile >> Change Password

Regards,
Central Agency
