

Revalidation of DISCOM Projects

Accreditation

Revalidation : Accreditation

- Accreditation is valid till 5 years from date of registration.
- DISCOM may apply for revalidation of accreditation before 3 month of expiry of accreditation.
- DISCOM may apply for revalidation of accreditation to respective State Agency through REC website.

Steps for revalidation are given below:

1. First pay the appropriate revalidation fee for accreditation
2. Apply for revalidation of accreditation through REC website
3. Download the new and old accreditation application form and send it to respective State Agency.
4. Subsequent to approval of revalidation of accreditation application by State Agency.
5. DISCOM may track the application status through web application

What is REC?

The Electricity Act, 2003, the policies framed under the Act, as also the National Action Plan on Climate Change (NAPCC) provide for a roadmap for increasing the share of renewable in the total generation capacity in the country. However, Renewable Energy (RE) sources are not evenly spread across different parts of the country. [Read More >>](#)

Total Signed Up RE G

Steps for REC

STEP 2 Registration

The RE generating company shall be made by the RE Generating Company to the Central Agency, as defined under Clause 2(1) (b) of the CERC REC Regulations. [Read More >>](#)

Declaration *

Declaration to be Signed by the M.D./CEO/Authorised Signatory of the Applicant

I/We certify that all information furnished above is/are true to the best of my/our knowledge and belief.

I/We shall abide by such terms and conditions that the Central Electricity Regulatory Commission or HIMACHAL PRADESH ELECTRICITY REGULATORY COMMISSION may impose to participate in the Renewable Energy Certificate Mechanism from time to time.

I/We hereby confirm the following details:

Registered office of Distribution Licensee:

I/We hereby also confirm that:

I. We have procured renewable energy, in the previous financial year, at a tariff determined under Section 62 or adopted under Section 63 of the Act, in excess of the renewable purchase obligation as may be specified by the Appropriate Commission or in the National Action Plan on Climate Change or in the Tariff Policy, whichever is higher.

II. The renewable purchase obligation as specified for this financial year, by the Appropriate Commission is not lower than previous financial year.

III. Any shortfall in procurement against the non-solar or solar power procurement obligation of the said Commission, shall be adjusted first and only the remaining additional shortfall shall be adjusted against the renewable purchase obligation of the previous three years, including the shortfall waived or carried forward by the Appropriate Commission or in the National Action Plan on Climate Change.

Declaration *

Declaration to be Signed by the M.D./CEO/Authorised Signatory of the Applicant

I/We certify that all information furnished above is/are true to the best of my/our knowledge and belief.

I/We shall abide by such terms and conditions that the Central Electricity Regulatory Commission or HIMACHAL PRADESH ELECTRICITY REGULATORY COMMISSION may impose to participate in the Renewable Energy Certification Mechanism from time to time.

I/We hereby confirm the following details:

Registered office of Distribution Licensee:
CHIEF ENGINEER(SYSTEM OPERATION) HPSEB Ltd., VIDYUT BHAWAN, SHIMLA

I/We hereby also confirm that:

- We have procured renewable energy, in the previous financial year, at a tariff determined under Section 62 or adopted under Section 63 of the Act, in excess of the renewable purchase obligation as may be specified by the Appropriate Commission or in the National Action Plan on Climate Change or in the Tariff Policy, whichever is higher.
- The renewable purchase obligation as specified for this financial year, by the Appropriate Commission is not lower than previous financial year.
- Any shortfall in procurement against the non-solar or solar power procurement obligation set by the (SHIMLA) Electricity Regulatory Commission in the previous three years, including the shortfall waived or carried forward by the said Commission, shall be adjusted first and only the remaining additional procurement beyond the threshold renewable purchase obligation specified by the Appropriate Commission or in the National Action Plan on Climate Change or in the Tariff Policy, whichever is higher.

INDEMNIFICATION

The Distribution Licensee shall keep indemnified and hold harmless the NLDC and its officers and employees from and all damages, losses, claims and actions arising out of or resulting from the Accreditation/Registration/its operations and activities, in connection with the Renewable Energy Certification Mechanism, and defend and save the NLDC harmless from any and all damages, losses, claims and actions arising out of or resulting from the Accreditation/Registration/its operations and activities, in connection with the Renewable Energy Certification Mechanism.
